OFFICIALS ARE SCORED

Judge Henderson Charges Grand Jury to Ferret Out Crime

Princeton, Ky., March 6.—Judge Carl Henderson, of Marion, who for the first time since his election last November is holding court here, this morning in his instructions to grand jury called special attention to all kinds of gambling, where women play for valuable prizes at card parties, and asked that the jury make a thorough investigation. "Night riding" also was scored by Judge Henderson.

The jurors were reminded of and instructed to make an investigation of the mob that took from the county jail last year a negro and hanged him. The jailer of the county and the policemen of Princeton were also scored in this connection.

USE 'CASCARETS' FOR LIVER AND BOWELS WHEN CONSTIPATED

When bilious, headachy, sick for sour stomach, bad breath, bad cold

Get a 10-cent box.

Take a Cascaret to-night to cleanse your liver, stomach and bowels, and will surely feel great by morning. You men and women who have headache, coated tongue, a bad cold, are bilious, nervous, upset bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping bowels clean with Cascarets—merely forcing a passage-way ever few days with salts, cathartic pills or castor oil?

Cascaret immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

Remember, a Cascaret to-night will strengthen you out by morning. A 10 cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

M. E. Church, South Next Sunday

Two hundred and twenty-five is the goal set for next Sunday in Sunday School. That means that the Wesley, Baraca and Philathea classes must have a full attendance.

It is the purpose of this Sunday School to reach any who are not being reached by other Sunday Schools, but in no wise to solicit those who are already members of other schools. Our work must be done with proper dignity and the Christian spirit.

Sunday School at 9:30 a. m.

Preaching at 11 a. m.

Epworth League at 6:45 p. m.

Preaching by Pastor at 7:30 p. m.

Subject, "Making Good in Life." This is the second sermon in the series to young people. All are welcome.

Then, too, preparedness against the vitriolic tongue of the gossip would be a welcome deliverance to many a lacerated soul.

In this great land of ours all men are equal, but many are not willing to admit it.

FISHERMAN'S REST.

High School Notes

By Our High School Correspondents

Opening exercises were conducted Monday morning by Supt. O. E. Dudley. Miss Mary Mothershead read the scripture lesson, which was followed by prayer of the leader and singing exercises by the entire school. Supt. Dudley then made a talk impressing upon the pupils the necessity of prompt and regular attendance. Although realizing that sickness is usually the cause of absence. Yet there are times when some are needlessly kept away. We wish all parents would take an interest in getting their children to school regular and on time.

Karl Steersman and sister, of Barnsley entered school here the week. There is now quite a number of out-of-town pupils in attendance and we are always interested in their welfare.

With the pleasant weather of the past few days the boys have taken quite a turn at athletics. "Pancake" seems to be the leading game and all enjoy it, but woe be unto the one who is down.

Base Ball

The baseball boys have begun to gather up their paraphernalia and are selecting some new goods. If the prevailing weather keeps up the boys will soon begin their training for their opening games. The boys are looking forward to many successful games with the surrounding teams this season.

League to Meet at Providence

The Western Kentucky Music and Oratorical League composed of Dawson, Madisonville, Seheer, Providence and Earlinton will hold their second annual contest at Providence April 15. The Earlinton high school expects to furnish representatives to each of the subjects. The contest of this year bids fair to be an interesting event. The debates will be announced later.

K. E. A. Meeting

The faculty of the schools are planning for the annual trip to the K. E. A., which meets in Louisville April 19 to 22, a good delegation will go from Earlinton. The railroad rates are not only low this time, and the L. & N. are also going to place a pullman at the disposal of the Delegation from Earlinton. This car will add very much to the comfort of the trips. Any person desiring to take advantage of these low rates can get detailed information from any member of the faculty.

One of the present salutations of the Senior bookkeeping class is, "Did You Balance" but the usual

reply is "Nay, Nay" but their fondest dreams are "I have balanced."

The hopes of the Junior boys is to be more successful with their coming baseball games than they were with their former basketball games.

Miss Daphne McCard was carried to Hopkinsville Wednesday evening to undergo an operation for appendicitis and the school was glad to hear Thursday at noon that she stood the operation nicely and was rapidly recovering.

We are glad to learn that Miss Geneva Hart, who is ill at Evansville as the result of an operation, is convalescing. This young lady is a member of the Senior class here. She is missed very much and we wish her a speedy recovery.

Rev. Hawkins of the Christian church led the chapel exercise Thursday morning. He made a very interesting talk, and encouraged the boys in athletics greatly. We hope Rev. Hawkins will be with us often. As his encouragement along the athletic line is needed.

Master Louis Loomis Patterson

Mr. and Mrs. L. L. Patterson of North Carolina, who have spent this winter in Jackson, are quite the happiest young parents in all the land, because they are confident that there is not another little son in any home in either State quite as wonderful as is the baby boy who was given to them yesterday and who was immediately honored by his mother with the gift of his father's good name, Louis Loomis Patterson.

Master Louis Loomis, Jr., being a handsome 12 pound boy, and already as wide awake and intelligent as babies of many times his age usually are, has been given formal invitation to enter the baby parade next Friday as the youngest baby in the whole beautiful aggregation.

Mrs. Patterson and the little boy are at the Jackson Sanatorium, where their friends are literally showering them with flowers and other pretty proofs of their interest and pleasure in the coming of the little lad, to crown his parents' happiness.—Jackson Times.

Card of Thanks

We wish to express our heartfelt thanks to the Drs. and nurses and the many friends who were as faithful during the illness and death of my husband and for the pretty floral design.

Mrs. Will Smith and Family.

SOCIETY

Miss Flora Lipscomb led the G. B. C. Club Friday evening. Rook and Flinch were enjoyed until a late hour when refreshments were served.

Miss Mabel Browning entertained the Triangle Club Tuesday evening.

The O. W. B. M. Auxilliary met at the Christian church on Wednesday with Mrs. L. V. Renfro as leader. The program included a renewal of one chapter of the book "Forty Years of Service" by Mrs. F. D. Rash, a reading by Miss Elizabeth Long, the life of Mrs. Reaves, of Buenos Ayres reviewed by Mrs. Fenwick. The Bible story told was by Mrs. Eastwood and an interesting missionary story told in song was sang very feelingly by Mrs. H. D. Coward. Mrs. Long as Supt. of Mission Band gave a brief report of that work. After the program a social hour was enjoyed and ice cream and cake served by the refreshment committee composed of Mesdames M. B. Long, F. D. Rash, John Brinkley, D. M. Umstead and J. M. Oldham. Two new members were added, Misses Vinson and Fawcett. There were thirty one members and six visitors present and a number of children.

The Baptist Aid Society met with Mrs. Brashear on Tuesday and quite a large crowd was present. On Wednesday the Missionary Society met with their President Mrs. Connaway and an interesting program was enjoyed.

The Misses Jennings and Miss Mitchell will give a Silver Tea Friday after noon at the latter's home. A large crowd has been invited for the afternoon and every thing will doubtless be quite successful financially and will go for the Methodist Church fund.

Mrs. F. D. Rash entertained a few friends Thursday after-noon at Rook at the conclusion of the games delicious refreshments were served to Mesdames O. B. Thayer, A. O. Sisk, H. L. Browning, E. Eastwood, Elgie Sisk, N. G. Alford, C. G. Trabern, Gilbert King, G. W. Mothershead and John L. Long and Miss Margaret Atkinson.

Mrs. Gilbert King had the needle-craft club Wednesday evening. The guests of the club were Mrs. O. B. Thayer, of Chattanooga, Mrs. Eastwood and Mrs. L. V. Renfro a salad course was enjoyed.

Mrs. Guy Ashby was hostess of the B. D. E. Club Wednesday afternoon.

The officers of the Aid Society of which Mrs. L. V. Renfro is Secretary met at her home Monday and after disposing of matters of business enjoyed a social hour when refreshments were served.

The spacious rooms of the Long house on Main St., were filled with a merry crowd of young girls and matrons Friday evening when Miss Elizabeth Long was hostess at a Progress Rook party. The score cards were decorated with Dutch figures. When these were drawn it was found necessary to call in two men to make out the seven tables so William Ross and John L. Long were the lucky two who had the pleasure of playing at this "hen-party" as the men sometimes call a woman's party. After ten games a two course luncheon consisting of salad, creamed chicken in pattycakes, olives, wafers, coffee, oranges, white cake and mailla wafers was served by Miss Long assisted by Miss Mabel Browning and Mrs. Long. The guests included, Misses Hazel, Lucy and Julia Fawcett, Margaret and Elizabeth Kemp, Margaret Atkinson, Kathleen Spillman, Sarah Crutchfield, Katherine

Howard, Geneva Huffaker, Mabel Browning, Margaret Dudley, Ida Lee Sisk, Agnes Lynn, Frances McElfatric, and Maye Oldham, Mesdames, Ellsworth Evans, N. G. Alford, F. D. Rash, A. O. Sisk, H. Browning, Charles Trabern, Elgie Sisk, Gilbert King and John L. Long.

Mr. and Mrs. Earnest Eastwood gave a very delightful card party Saturday evening in honor of Mrs. Eastwood's sister, Mrs. Carl B. Thayer and Mr. Thayer of Chattanooga after a number of exciting games, a delicious two course luncheon carrying out the color scheme of red and white was served by the hostess assisted by Mrs. E. Stevens and Mrs. Sizemore. Attractive crepepaper rose-baskets holding the almonds and small hand-made rosebuds for favors were much admired. These were made by the guest of honor, Mrs. Thayer. The guests included Mr. and Mrs. Charles G. Trabern, Mr. and Mrs. C. B. Thayer, Mr. and Mrs. Gilbert King, Mr. and Mrs. N. G. Alford, Mr. and Mrs. Marion Sisk, Mr. and Mrs. Sizemore, Dr. and Mrs. O. B. Johnson, Mr. and Mrs. Ed Rule, Mr. and Mrs. Henry W. Rogers, Mr. and Mrs. Frank Withers, Mr. and Mrs. David Cowell, Mr. and Mrs. Elgie Sisk, Mesdames Harriet Browning and Lee Withers and Mr. R. B. Whiffler.

CLINIC SUCCESSFUL

Trachoma Victims Treated at Free Hospital in Muhlenberg

Central City, Ky., March 6.—Muhlenberg county physicians report splendid results from the free trachoma clinic conducted at Greenville last week by Dr. Pirkey, of Louisville, and Dr. Bailey, of Madisonville. This is the second trachoma clinic Muhlenberg county has had. It is estimated that there were originally 2,000 cases in this county.

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save your hair! Double its beauty in a few moments—try it

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scrub robs the hair of its lustre, its strength and its very life; and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?

Of course if those bad boys across the water keep on throwing pebbles at Uncle Sam the old boy may wake up some day and get real peevish about it. And Uncle is powerful frisky when he's peevish.

MORNINGS ARE HAPPIEST HOURS

Get The Spirit of the Early
Day Into Your
Being

Are you bright and happy in the
mornings?

Catarh is the great American ailment. Its effects are far more general than usually are understood. Catarrh of the stomach and kidneys is a most frequent cause of chronic dyspepsia and Bright's disease. Catarrhal conditions in the nose and throat in many cases, leads to deafness.

Even the lungs are affected because catarrhal inflammation finds an open way to the lungs substances through the bronchial tubes.

If you are not bright, cheerful and refreshed in the mornings, catarrh probably is the cause.

The mental and physical condition of catarrh sufferers is pitiable but it is surprising how many people suffer from catarrh when they fully believe something else is the cause.

Catarh can be easily detected. Some of its commonest symptoms are: dull, throbbing headaches, watery eyes, constant sniffing, dropping of mucus in to the throat at night and awakening choked and half-nauseated, sleeplessness, dizziness, fullness, stopped up nasal passages, dryness of the membranes, pains in the stomach, side and kidney region, faulty digestion, bad breath and coated tongue.

Tanlac was created particularly to combat catarrh. Thousands are testifying that Tanlac has fulfilled its mission.

Tanlac may now be had in St. Charles and Earlington at King & Son's, Ben T. Robinson in Mortons Gap and the City Drug Store at Nortonville where its merits are explained fully.

To feel strong, have good appetite and digestion, sleep soundly and enjoy life, use Burdock Blood Bitters, the family system tonic. Price, \$1.00.

Newspapers

and Hypocrites

Richard D. Webb, city editor of the Chicago Daily News, in a recent address to Illinois newspaper men, made the following suggestion for ridding any community of crooks who pose as saints:

"You can make or break a man with a word. You can close your city's banks. You can break up your own minister's home. You can have more power than the mayor or the chief of police.

"I think I can give you an illustration of that in order to clinch my point. Since I have been in Chicago there was a minister in one of the larger churches there, a high-salaried man, looked upon by his congregation as one of the brightest men in his denomination in the world.

"It was brought to the ears of a certain city editor—not myself—that this man had been guilty of immoral practices, and men were put to work to run the stories to earth. Those stories were proved, and if they had been printed they would have been the sensation for a few days. But they never got beyond the city editor, and for this reason—he knew that to print them would disrupt that church, break up several families and bring sorrow to hundreds of homes. So this is what it did: The minister in question was called in, the facts were shown him, a type-written agreement handed him. This agreement provided that he was to resign his pulpit, quit the ministry and the city forever and never again write or speak a word in public. The minister did all that. There was no publicity, and the church was saved, although shocked by the minister's sudden retirement. Today he is living on a farm, a quite studious man."

The Citizen and the School

No matter how exalted or humble a person may be, there is one sacred duty which he owes to humanity and which it is imperatively incumbent upon him to pay. That duty is the protection and the fostering of our public school system.

We are living in an age of education and advancing intellectual development, and the human mind that is deprived of the best advantages obtainable will be hampered and hindered at every step in life.

It matters not how bright nor how acute the infantile mind may be, if that mind is denied the advantages of education then the child grown to maturity will be retarded and humiliated because of its intellectual deficiencies. It will be a living monument to the neglect and the indifference of its parents. It will be a mark of shame and a blight upon the community that reared it in its ignorance. It will be an object of pity where it should be one of pride.

Education and the advantages of intellectual advancement have made America a great country. And America is even yet in its infancy.

Our school system should be encouraged and raised to the highest point of efficiency. The instructors should be upheld and given to understand that they have the backing of a united community, and that the community expects satisfactory results.

If our present buildings are inadequate and new ones are needed, then for the sake of enlightened humanity let us spend the money and get them. Let us make any other improvements or new departures that the welfare of our children require.

We have brought these children into the world, and in their infancy and youth they are helpless. It is our duty to give them an education that will enable them to successfully cope with the intricate problems of existence that will confront them later in life. To do less would be to neglect a sacred duty, to shame the innocent ones for whose very existence we are responsible.

Let us keep our schools and our children in mind. Let us pay our school taxes promptly. Let us study their welfare individually and collectively. Let us leave no stone unturned that will advance their moral and material interests.

For the man who honors his offspring is honored of men.

ANOTHER WOMAN TELLS

How Vinol Made Her Strong
Beallville, Ohio.—"I wish all nervous, weak, run-down women could have Vinol. I was so run-down, weak and nervous I could not sleep. Everything I ate hurt me, and the medicine I had taken did me no good. I decided to try Vinol, and before long I could eat anything I wanted and could sleep all night. Now I am well and strong, and in better health than I have been for years."

Mrs. ANNA MILLISON, Beallville, Ohio.
We guarantee Vinol for all run-down, weak and debilitated conditions.

Alcohol And Pneumonia

The United States Public Health Service brands strong drink as the most efficient ally of pneumonia. It declares that alcohol is the handmaiden of the disease which produces ten per cent of the deaths in the United States. This is no exaggeration. We have known for a long time that indulgence in alcoholic liquors lowers the individual vitality, and that the man who drinks is peculiarly susceptible to pneumonia. The United States Public Health Service is a conservative body. It does not engage in alarmist propaganda. In following out the line of its official duties it has brought forcefully to the general public a fact which will bear endless repetition. The liberal and continuous user of alcoholic drinks will do well to heed this warning, particularly at this season of the year when the gruesome death toll from pneumonia is being doubled.

DRESS UP WEEKS

March 27 to April 8

This is the beginning of a series of short talks on "Dress Up Weeks"—their purpose and their significance.

Last Fall the Merchants of a few cities, Evansville among them, introduced the first "Dress Up Week"—the idea being that as the United States had become the Leading Nation of the World, its citizens should dress up—and show the world we were leaders of styles also.

The idea gained impetus as the campaign moved along. Everybody did "dress up"—and in this section Evansville became the style center.

Of course the High Art Store did its part—and in doing so made more friends for High Art Clothes and Furnishings.

This Spring the "Dress Up" Spirit seems to have stormed the country—everybody seems to be waiting for Dress Up Weeks—from coast to coast the same weeks will be observed—March 27 to April 8—and you may be sure that the untiring energy of the High Art Store will be to show as representative a display of correct things for Men, Young Men and Boys to wear, as can be found in the United States.

(Watch for Next Week's Talk.)

We are glad to have our Out-of-town Customers.

Merchandise promptly shipped—Parcel-post paid.

To Mothers of Delicate Children

Palmyra, Pa.—"My little girl had a chronic cough and was so thin you could count her ribs and she had no appetite. Nothing we gave her seemed to help her, until one day Mrs. Nebert asked me to try Vinol, and now she is hungry all the time, her cough is gone, she is stouter and has a more healthy color. Grand Opening Next Time

G-eneral Goethals tells "for sure" that the Panama Canal will be slide proof when it is reopened. This may be six months hence, or it may be a longer period; but he is certain that the canal can never be blocked again. Of course the work that is now being done should have been finished before the canal opened at all. But the impatience of the American public caused the builders to take a long chance on declaring the work finished. They lost—and now millions of yards of dirt are being removed in order to prevent any possibility of a further tie up in navigation.

Minstrels Coming

Lovers of good clean comedy, tuneful music, good singing and dancing, will be interested in the announcement of the forthcoming engagement of the Price and Bonnell Greater New York Minstrels; which company will appear at the Temple Theatre, Earlinton, for one night only, on Tuesday, March 14. This company is known as an organization of merit which presents a good, clean performance, with an absence of vulgarity.

Thirty members, all while men, compose the personnel of the Greater New York Minstrels. These artists have been selected by Messrs Price and Bonnell as among the foremost exponents of Minstrelsy of the present time.

Many new features have been added to the programme this season and the entire performance moves with life and animation.

The singers possess voices of excellent quality, the dancers are clever, the comedians are positively funny, and the novelty acts are not to be surpassed.

Price and Bonnell have spared no expense in equipping their show with the best to be had in regard to costuming, scenery, etc., special settings electrical equipment, costuming and other embellishments making the production a minstrel show, Par excellence.

This company carries a most excellent band and a special orchestra.

Reports from the press indicate that this show is one of the "Big One's" and is worthy of public attention and patronage.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place. "Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.
